Motorhomes of Excellence

#itsyourtime >

2023 RANGE | [AUTO-SLEEPERS.COM](https://www.auto-sleepers.com)

THE MODERN TOURING EXPERIENCE

Our Coachbuilts offer customers luxuriously styled interiors and optimum driving performance, built to our exceptional quality standards. Models are available as both low profile and highline coachbuilt models with a choice of short, medium, and long wheel base chassis.

Models	Min Berth	Max Berth
7	 2	 4

Please note: Truma Aventa Comfort air conditioning unit is a cost option.

PEERLESS & REFINED

It is a popular choice amongst Auto-Sleeper customers; offering, both low profile and highline models with a choice of Short, Medium and Long wheel base chassis all of which feature car like drivability. Offering incredible comfort and style, Auto-Sleeper Peugeot motorhomes are like no other.

THIS IS THE WAY TOURING SHOULD BE

The Auto-Sleepers range is a collection of classic British motorhome layouts offering various seating arrangements dependent on whether you favour a more relaxed lounge aesthetic or require additional travel seats and a formal dining space.

Whatever you choose, you'll find well-upholstered furniture with scatter and bolster cushions for luxury, comfort and ample living space to entertain, relax and dine.

At the rear of these coachbuilds there are several configurations with greater focus on either large kitchen, lounge or chic washroom facilities. With plenty of variation to choose from there is bound to be a layout perfect to take you away on your next adventure.

THE RANGE

Coachbuilt models provide plenty of spaces to store your luggage and touring equipment.

Coachbuilt models provide plenty of spaces to store your luggage and touring equipment.

3.5 Tonne Chassis Models

A range for everyone; Auto-Sleeper coachbuilds are built on a lightweight 3500kg chassis, so they can be driven on a standard driving license.

Grade 3 Insulated

All our 2023 coachbuilds feature Grade 3 Classification for heating and thermal insulation.

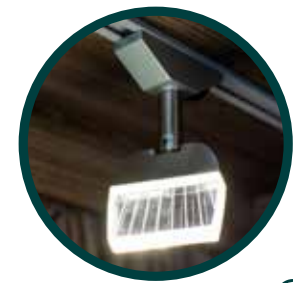

Underfloor LPG Gas Tank

25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits.

TIME TO PUT YOUR FEET UP

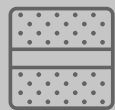

When you're ready to get your head down for the evening, Auto-Sleeper Coachbuilds lounges and dinettes are easily converted into double and/or single beds depending on model.

Overcab models can offer even greater flexibility, providing space for up to 4 to sleep or the ability for couples to climb straight into bed without the need to disrupt the seating area. The Broadway FB model features the ultimate in luxury with a rear fixed French bed.

LED Lighting

Create the right atmosphere with energy efficient LED lighting including positionable reading spotlights.

Reflex™ Foam Upholstery

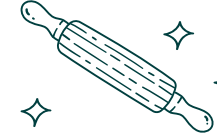

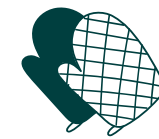

Premium quality Reflex™ foam in all soft furnishings for ultimate comfort.

READY TO COOK UP A STORM?

Budding chefs will feel right at home, Coachbuilds feature well equipped kitchens with plenty of worktop space for food preparation. All models feature a flexible dual-fuel hob with separate oven and grill, microwave oven plus an extractor fan to dispel cooking smells. Keeping food fresh at it's best isn't a problem thanks to the large fridge/freezer.

You'll find that the provision for storing groceries and utensils is excellent, with combinations of drawers, cupboards or roof lockers in the kitchen areas providing all the space you'll need to cater for the most extravagant of meals.

Dual Fuel Hob

Kitchens include a flexible dual-fuel hob with separate oven and grill

Microwave Oven

All Coachbuilds feature a 230v Dometic microwave oven for convenient cooking on tour.

Fridge-Freezer

Keep your food fresh with the large 3 way refrigerator with freezer compartment

Keep your food fresh with the large 3 way refrigerator

Peugeot Coachbuilds contain spacious storage options for all groceries and utensils

MULTI-FUNCTIONAL WASH AREAS

Auto-Sleeper Coachbuilds feature practical space-saving multi-functional washrooms which offer maximum functionality of the space. The washrooms combine a shower and toilet area to save space, however the wall onto which the basin is affixed swings through 90 degrees to create a showering space away from the cassette toilet. Broadway EB and FB models even include separate shower cubicles with an extractor fan.

SPACE FOR EVERYTHING

The expert designers at Auto-Sleepers have created this range of motorhomes to offer no compromises when it comes to storing your luggage and equipment when out on your travels. They have used utilised the space to ensure that you can make the most of your payload and take all your necessary belongings with you, so there is no need to leave any of the essentials behind.

TIME TO TAKE
TOURING TO THE
**NEXT
LEVEL**

Choose a motorhome
built with the unrivalled
performance level of an
AL-KO Chassis.

PEUGEOT AL-KO COACHBUILTS

Heritage and luxury with unrivalled finesse, nothing comes close to the all new Corinium: Two palatial layouts, AL-KO foundations and 2.35m body width for the ultimate touring experience...

Models	Min Berth	Max. Berth
2	4	4

AL-KO FOUNDATIONS

Since 1979, AL-KO has been at the forefront of motorhome chassis conversions. AL-KO has worked to engineer a lightweight, low height chassis perfectly suited for motorhome use. AMC chassis are specially engineered to provide the maximum strength and stability within the lightest possible frame.

This enables motorhome owners to take additional luggage, but also provides the opportunity to carry heavier and larger leisure equipment.

MEDIA PACK AS STANDARD

EXPERIENCE POWER & PERFORMANCE

The latest in engine technology from Peugeot & Fiat

For your infotainment

Make your way to your holiday destination in comfort and with the latest infotainment technology. Auto-Sleepers coachbuilt models feature Integrated Touch Screen Media Consoles with DAB Radio, rear observation cameras and Bluetooth® Connectivity.

Ultimate Comfort

Every detail of the new 2023 Auto-Sleepers range is designed to bring ultimate comfort to your time spent travelling onboard. 2023 Auto-Sleeper cabs feature supportive captain seats with arm-rests, leather steering wheel, cruise control and cab air-conditioning.

Safety First

2023 Auto-Sleeper Coachbuilds feature the latest driving technology to keep you as safe as possible out on the road, all models feature:

- ESP/ESC, ABS Brakes with EBA and EBFD as standard
- Daytime Running Lights
- Tyre Pressure Sensors
- Pre-Installed S7 Vehicle Tracker
- Rear fog lights
- Driver and passenger airbags

ZENEC

2023 Auto-Sleepers Coachbuilds built on a Peugeot Chassis Feature the all-new ZENEC Z-N965 DAB+ infotainer with 9" display screen.

Making phone calls, using Google or Apple maps to find a destination, playing music and sending or receiving messages is true mobile convenience made possible with the ZENEC Z-N965 DAB+ infotainer. Control and operate apps either via the device touchscreen or with the Apple Siri or Google's voice assistants.

CUTTING EDGE ENGINES

Auto-Sleepers 2023 Coachbuilt range motorhomes are fitted with Peugeot's BlueHDi and Fiat's Multijet3 engines both offering the latest generation of fuel and environmentally efficient Diesel engines.

PEUGEOT (165bhp Manual Gearbox)

Auto-Sleeper Coachbuilds built on the Peugeot Boxer chassis feature 165bhp Euro6 BlueHDi Diesel engines, designed and produced by the PSA Group.

Generated from a world-famous diesel heritage and innovative, automotive engineering excellence, BlueHDi complies with Euro 6 emission standards to deliver a driving experience rich in power and performance but with exceptional fuel economy and CO₂ emissions.

FIAT (140/180bhp Automatic Gearbox)

2023 Auto-Sleeper Fiat models offer top performance, extreme reliability and reduced fuel consumption & CO₂ emission thanks to Fiat's new generation of engines designed specifically for Campervans.

The new Ducato Multijet3 powertrain lineup offers a wide range of choices that makes your journey easier. 2023 models are available with a range of automatic engine options (140hp and 180hp power levels), all with reduced noise level, weight and best-in-class fuel consumption.

PRACTICAL FEATURES

When you venture out in your Auto-Sleeper, our aim is not only to provide you with features that offer opulent luxury and comfort, but that are also practical and useful to maximise your holiday enjoyment every time you travel.

Our expert motorhome designers have designed the internal layouts of our motorhomes to optimise efficiency of the living spaces; balancing freedom of

movement with storage of equipment and features.

To complement the design of the space, Auto-Sleepers install the finest materials and equipment to produce leisure vehicles of the highest standard.

To create as much internal space as possible, features such as the LPG gas tank and heating systems are mounted

underfloor. They are however still easily accessible when required.

To ensure that owners can use their vehicle all year round, every model meets grade 3 classification for thermal insulation, so there's nothing stopping you escaping to the outdoors.

Grade 3 Insulated

All our 2023 coachbuilds are designed for all year round use- featuring efficient heating systems and excellent thermal insulation.

Underfloor Mounted LPG Tank

25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits

80W Solar Panel

Be more self-sufficient and save money on your next holiday thanks to the included Solar Panel.

High quality Reflex™ foam upholstery.

Auto-Sleepers soft furnishings are constructed with UK manufacturer Vitafoam's premium quality Reflex™ foam for superior comfort, durability, recovery and service life.

Spacious storage facilities

To help make the most of your space, our designers have included numerous space saving storage options to securely stow your luggage.

Dine Al'Fresco!

Feel like making the most of some glorious weather? All Auto-Sleeper models feature external BBQ points for quick and easy outdoor dining.

Metalarte habitation door with sliding flyscreen door

Auto-Sleeper Coachbuilds are fitted with a safe and secure exterior habitation door featuring single key locking. For added comfort and hygiene, these doors are also fitted with a useful pleated-mesh flyscreen to help keep annoying pests out of your living area.

THE LITHIUM DIFFERENCE

Coachbuilt models are fitted with Lithium iron phosphate leisure batteries (LiFePO4 or LFP) which offer lots of benefits compared to lead-acid batteries. Including, longer life span, extremely safe, lightweight, improved discharge and charge efficiency, all whilst providing a long life span.

- Heavy on power. Light on weight**
 Compared to lead-acid batteries lithium provides great energy density and are at least half the mass. Go for lithium if you want to reduce concerns about battery weight, performance and size.
- Long lifetime. Lower costs**
 A huge advantage to lithium technology is the life cycle rating which far surpasses alternative technologies. Lithium batteries operate ten times longer than lead-acid.
- Quick and efficient**
 Lithium can charge and discharge at a high rate providing maximum versatility. Fast charging minimizes downtime, and lithium's high rate of discharge is perfect for a burst of power.
- Low self-discharge**
 Lithium batteries have a very low self-discharge rate; <3% per month. Compared to lead-acid this is 10 times lower.
- Maintenance free**
 Lithium batteries don't require active maintenance to extend their service life and include built in automatic overcharge protection.

TN Lithium Iron Battery (std)

As standard 2023 Auto-Sleeper Coachbuilt models are fitted with TN Lithium iron phosphate leisure batteries (LiFePO4 or LFP). These are up to 40% lighter than conventional lead acid batteries at just 10.2kg, and using the technology of lithium iron phosphate cell provide superior safety, up to 3000 cycles and 100% Depth Of Discharge, under normal conditions.

Super B Epsilon (optional)

The Epsilon is a drop-in lead-acid replacement, with all the benefits of Lithium Iron Phosphate. It has superior weight reduction, enormous energy reserves and stable voltage even at extreme loads. This lithium battery is suitable for 12V installations. Eliminating the need for an external safety relay means the lithium battery is very easy to install. Super B lithium batteries live up to 5000 cycles without decreasing in performance. Resulting on the long term in lower costs.

THE LATEST TOURING TECHNOLOGY

For 2023, Auto-Sleeper models have been fitted with an exciting range of equipment to further enhance your trips away. Improved Security features, stylish exterior looks, plus be the envy of everyone on the campsite and stream all your favourite media from iPlayer, Netflix and Spotify thanks to internet connections up to 5x stronger than standard mobile connections.

Truma dual fuel combi space and water heater

2023 models benefit from the space saving and efficient Truma dual fuel combi blown air central heating and water heater.

ZENEC DAB+ infotainer with 9" display screen*

This top-class DAB+ infotainer with rear observation camera offers true mobile convenience - calls, messages, Apple CarPlay & Android auto smartphone integration.

5G Ready Wifi (SIM card required)

All 2023 Auto-Sleeper coachbuilds are fitted with powerful 5G ready Mobile broadband equipment designed to improve internet connectivity on your touring excursions.

80W Solar Panel*

Be more self-sufficient and save money on your next holiday thanks to the included Solar Panel.

Teleco Media Pack (optional)

2023 Auto-Sleeper models can benefit from the updated media pack featuring the Teleco 65cm system.

GPS Sargent S7 Tracker Pre-Installed (€100 Annual Subscription applicable)

Auto-Sleeper motorhomes are protected 24/7 with the Sargent S7 Tracker.

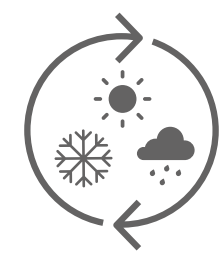

19.5" Full HD Smart TV with 2x10W Soundbar

Watch Full HD through your regular aerial or satellite dish without the need for extra equipment and now with integrated Freesat.

Underfloor Mounted LPG Tank

25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits

All Year Touring

All our 2023 coachbuilds are designed for all year round use- featuring efficient heating systems and excellent thermal insulation.

Truma Aventa Comfort (optional)

Enjoy a pleasant indoor climate thanks to the Truma Aventa Comfort roof-mounted air conditioning system.

*Premium Pack

Harmony

Utility Management System

EASY ACCESS CONTROLS

You can relax knowing that your Auto-Sleeper is fitted with the Harmony Utility Management System. The Harmony UMS combines the latest electrical systems from innovative UK electrical manufacturer Sargent and renowned German manufacturer Truma. The UMS allows for straightforward control of your on-board leisure facilities from one, easily accessible location. Plus, for even greater peace of mind, your UMS features Sargent's S7 vehicle tracker, which can be monitored remotely using 'Auto-Sleepers LOCATE.'

MANAGE YOUR ONBOARD SYSTEMS

The LCD touch-screen control panel allows you to easily monitor and control your motorhome's on-board systems. This functional all-in-one panel makes it simple to manage your lighting, battery and water so that you can spend more time enjoying your trips away.

TEMPERATURE CONTROL

The digital Truma CP plus control panel allows you to set the temperature in your Auto-Sleeper motorhome quickly and easily. Choose functions like fan speeds and night time economy mode instantly. The automatic climate control ensures a constant indoor temperature in all weathers.

LOCATION TRACKER

Check the location of your motorhome and see the location of all Auto-Sleeper approved dealer workshops.

SAFE HEATING ON THE MOVE

DRIVE SAFE REGULATOR

For 2023, all Auto-Sleeper models feature an innovative gas pressure regulator from Truma. It offers its users a safe and convenient supply of gas when on the move. With an integrated gas flow monitor, you can use your liquid gas heater whilst driving.

How safe is it to operate a gas system for heating while you are on the move? Truma has the answer: for years, we have been further developing technical standards for protective devices that enable heating whilst driving; and now we have also incorporated a crash sensor into our new generation of gas pressure regulation systems.

This sensor even responds to accidents that take place at low impact speeds of 10mph, closing the gas supply before damage can be caused to the lines or devices.

So you can arrive at your destination with everyone feeling relaxed, reassured, and safe. Truma gas pressure regulation systems offer everything required to ensure safe heating on the move, throughout the whole of Europe.

For further information on Truma products please visit:
<https://www.truma.com/uk/en/home/>

FEATURES

JOIN THE CLUB

www.asoc.uk.com

The Auto-Sleepers Owners' Club was formed in 1989 and now has a membership exceeding 2,400. Closely allied with the Company, membership of the Club is open to all Auto-Sleepers owners.

Benefits include a monthly newsletter and rallies throughout the year, both at home and abroad. Enquiry forms are available through the Company or by visiting the club website.

HAVE IT YOUR WAY

Auto-Sleepers have been hand-crafting motorhomes to stand the test of time for over 60 years and we believe that your motorhome should be tailored to be exactly how you want it. That's why we offer numerous personalisation options to enable you to customise your vehicle to meet your requirements.

ROOF OPTIONS

Auto-Sleeper coachbuilt models are available with a choice of two roof options, available at no extra cost.

Low Profile

The lowline roof is available with either a large opening skyview rooflight or additional locker storage.

Luton

The overcab luton offers additional sleeping accommodation for two people.

SEATING OPTIONS

Selected Coachbuilt models are available with the option of two rear seating configurations. Choose from either twin benches, creating a spacious lounge or additional rear travelling seats*, which allow for extra passengers to be transported in the rear safely.

Twin Bench Lounge

Additional Rear Travelling Seats

FABRIC OPTIONS

Every Auto-Sleeper comes with a choice of colourways from the latest range of hand-picked Belgian 'Vogue Pebble' or 'Casa Mila' fabrics, providing a luxurious finish for that added personal touch.

Vogue Pebble

Casa Mila

SEAT BELT SAFETY

Seat belts for the front cab seats in motorhomes have always been installed by the base vehicle manufacturer since the law required them to do so and wearing them is a legal requirement whenever the vehicle is being driven.

However, seat belts in the rear of a motorhome are more complicated; where a designated travelling seat is available it must be used, however, where there

isn't one it's not illegal to travel in the rear without wearing one at present, although this could well change in the future.

In the interests of everyone's safety and peace of mind, Auto-Sleepers always recommend when travelling in the rear of a motorhome, it should be in a designated travelling seat with the three point seat-belts in use. Please note that adding optional seatbelts reduces vehicle payload by 40kg.

Look out for the red seat-belt symbol next to the layout to indicate the availability of designated rear travel seats which have been tested and approved as fully compliant with European whole vehicle type approval for your total safety and peace of mind.

Situation	Front Seat	Rear Seat	Responsibility
Driver	Seat belt must be worn if fitted	-	Driver
Child under 3 years of age	Seat belt must be worn if fitted	Correct child restraint must be used	Driver
Child from 3rd birthday up to 135cm in height or 12 th birthday, whichever they reach first.	Correct child restraint must be used	Correct child restraint must be used where seat belts are fitted. Must use adult belt in rear seat if correct child restraint is not available.	Driver
Child 12 or 13 years of age or over 135cm in height	Seat belt must be worn if fitted	Seat belt must be worn if fitted	Driver
Adult passengers	Seat belt must be worn if fitted	Seat belt must be worn if fitted	Passenger

MORE COMFORT ON TOUR WITH TRUMA

OPTIONS

TRUMA INET X SYSTEM

More comfort on the move in your Coachbuilt motorhome: The Truma iNet X System enables the Combi heater and Truma air conditioning systems to be remotely controlled anywhere and anytime; be it on the ski slopes, at the beach or when

hiking. The Truma iNet X System allows you to control the units easily and simply via the Truma app from wherever you are, and to query the current device and vehicle status. This makes camping much more easy, comfortable and safe.

AVENTA AIR CONDITIONING SYSTEM

All Auto-Sleepers have the option of having an Aventa Compact Plus Conditioning system installed. The Truma roof air conditioner excels with its performance power – Although being especially efficient and economical in consumption the Aventa turns the vehicles into a feel good zone thanks to its high performance. The powerful cooling capacity ensures this on hot summer days. In cool nights the economical heat pump function (2 ventilation

steps) for pleasant temperatures. At the same time the air is not only dehumidified, but also cleaned by a new honeycombed air filter.

The integrated sleep-mode reduces speed of the ventilator in the night and so by very silent air distribution a particular smooth running of the air conditioner is achieved. The single adjustable air-outlets offer various possibilities to dispense the conditioned air in the vehicle.

TRUMA COMBI CP PLUS

Just set your own comfort zone with the Combi CP plus boiler from Truma. The Combi CP provides heating and hot water boiler in one device and the practical turn-and-push controls of the digital control panel make operation of the system really easy.

You can intuitively select the required room or water temperature, and the Boost function offered by

the CP plus adds real value: it warms the water even faster, and heats the leisure vehicle to a pleasant temperature – at the push of a button.

This digital high performer even lets you determine the energy source, adjust the fan, or programme the functions of your Combi heater or air conditioning unit by times.

AVTEX TV & SOUNDBAR

SMART ENTERTAINMENT

2023 Auto-Sleeper models feature the new Avtex fully loaded Smart W195TS television and SB195BT soundbar. Connect the W195TS to the internet and discover a whole new world of entertainment from premium streaming services such as Netflix, Amazon Prime, Disney+, iPlayer, Now TV, Sky Store, YouTube and much more. Pair via Bluetooth connection to the SB195BT to immerse yourself in deep, rich velvety tones (other Bluetooth enabled devices are compatible).

Watch Full HD through your regular aerial or satellite dish without the need for extra equipment and now with integrated Freesat enjoy a full 7 day programme guide on both terrestrial and satellite platforms.

KEY FEATURES:

- 19.5" Full HD Smart TV with Built-in FreeSat Satellite decoder with 7 day EPG
- Ultra compact edge-to-edge design

AUTO-SLEEPERS AFTERCARE & SERVICE CENTRE

The Auto-Sleeper Service Centre caters specifically for the needs of the motorhome, campervan and caravan owner. Located around the corner from the Auto-Sleeper factory in Willersey, near Evesham, Worcestershire. We offer annual habitation checks, accessories and modifications. Additionally, we can also offer motorhome, caravan and campervan repairs, accident or insurance claims.

The Service Centre technicians have many years' service with the company and are fully trained. Although specialising in Auto-Sleeper models, work can be carried out on any type of vehicle or caravan irrespective of make but please note we

are unable to undertake warranty work on other manufacturers vehicles.

The habitation check covers the motorhomes/caravan chassis, body, fixtures, fittings and include full gas and electric system checks. Base vehicle servicing and Mot's can be arranged off site if necessary.

Dedicated to customer care, the Service Centre offers a comfortable waiting room, refreshments and mains hook-ups for an overnight stay.

AUTO-SLEEPERS PARTS DEPARTMENT

The Auto-Sleepers Parts Department aims to provide parts for Auto-Sleepers old and new. When contacting this Department, customers should have to hand the Auto-Sleepers production number of their vehicle (this can be found in the vehicle

glovebox). We endeavour to provide parts for older vehicles, but are unable to guarantee to supply parts that are no longer manufactured by our suppliers.

To find out more about motorhome servicing please visit:
www.auto-sleepers.com/owners/servicing-and-care/motorhome-servicing

To find out more about caravan services here please visit:
www.auto-sleepers.com/owners/servicing-and-care/caravan-servicing

WARRANTY

AUTO-SLEEPERS MOTORHOME WARRANTY

You can be confident about owning an Auto-Sleeper, because we are confident about the way in which we build them. The conversion work of every Auto-Sleeper is covered by our own three year warranty* scheme plus and an additional three year water ingress warranty*.

The cover is not restricted to mileage and protects all aspects of the motorhome.

*Terms and conditions apply, please refer to your handbook for further information.

PEUGEOT WARRANTY

All motorhomes first registered in the UK and purchased from a UK Peugeot Approved Manufacturer benefit from a Peugeot 3 Year unlimited mileage warranty and an 3 year paint guarantee provided by the Peugeot Dealer Network in the UK.

This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your Peugeot Dealer in the UK.

Peugeot Assist

All new Peugeot motorhomes come with 3 years' Peugeot Assistance - breakdown assistance service.

Peugeot Assistance includes:

- European cover
- Homestart
- Roadside assistance
- Vehicle recovery
- Free replacement car or hotel accommodation if required.

For this service call 0800 197 2045

FIAT WARRANTY

Fiat provides a manufacturer's warranty for the base vehicle (as supplied to Auto-Sleepers) for a period of two years. For any issues with the base vehicle please contact your local Fiat dealer.

Your base vehicle warranty is subject to the terms and conditions contained in the respective chassis manufacturers' service literature. Your vehicle must be serviced in accordance with the chassis manufacturer's requirements.

Fiat Camper Assistance

All new Fiat motorhomes come with Fiat Camper Assistance the dedicated roadside assistance service for Fiat motorhome owners. Owners of Fiat motorhomes can benefit from the following:

- 1500 service centres throughout Europe
- Roadside assistance 24 hours a day
- Fiat Customer Care Call Centre.

For this service call the universal multilingual telephone number 00800 3428 1111# - for Ducato motorhome owners (even those with older models) in 13 languages and available in 44 countries.

Services include:

- Information (also to callers who are not Ducato customers)
- Customer Care
- Roadside assistance for Ducato customers, 24 hours a day, 7 days a week.

An alternative number is also available: +39 0244412160.

#free depending on country and operator.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an offer by the Auto-Sleepers Group Ltd (Auto-Sleepers). It's the continual policy of Mercedes-Benz and Auto-Sleepers to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Auto-Sleepers reserve the right to alter the specifications and price at any time without prior notice.

Auto-Sleepers design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Bedding and "dress" items shown in photography are used for illustrative purposes only and are not part of the vehicle specification. For more details on the end of life vehicle directive for Mercedes - please visit www.mercedes-benz.co.uk. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2021), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). Effective 1st October 2021. This literature supersedes all others.
