2025 Campervans

Your Home Anywhere

Welcome to Swift

UK's No.1

brand for

leisure

vehicles

We are the UK's largest leisure vehicle manufacturer producing touring caravans, motorhomes, campervans and holiday homes.

We've grown from simple foundations back in 1964, when our founder Ken Smith built his first touring caravan, to become the UK's number one leisure vehicle brand.

Our philosophy is to build leisure vehicles that are at the heart of your holiday, whether that be nestled in the countryside or by the sea, searching out active pursuits or simply enjoying a quieter pace of life. With a lifetime of memories waiting to be made, it's time to find your ultimate campervan.

PRO™

Convertor

Swift, partnered with the best.

The Ford Pro™ Convertor Programme recognises premium convertors across Europe, specialising in multiple and diverse conversions to suit all customer requirements.

The market-leading network of Ford Pro™ Convertors offers expertise and high-quality output at every stage of production, providing convertors with the tools to deliver a high-quality, reliable vehicle conversion customers can trust and rely on.

Wherever the road takes you, stay connected.

We're excited to welcome you to a **community** built on the values of comfort and convenience. Just like any family, we want to ensure that you are always **connected** and secure, especially when it comes to your adventures in your **Swift Campervan**.

Ford Assistance Plan

A Ford Assistance Plan makes it easy to get back on the road. If you run into trouble, our roadside assistance team will be given your precise location, and information on your vehicle, so they know the issue before arrival*

Remote Start

Cold morning? Automatic vehicles can be started remotely so that they're warmed up, de-iced and ready to go when you are.

Health Status + Alerts

Your vehicle's health is important. Discovering potential issues early can make a huge difference. See your vehicle's health status in detail, and get alerts when something needs your attention.

Download the free FordPass App now to unlock key features and functionality.

Fabrics at a glance

We use research, insights and trends to keep ahead of the designs that appeal to both today's and tomorrow's customers. We take the time to understand what designs appeal to you and your holiday lifestyle.

Today's trends involve a higher degree of ecological and environmental decisions, and at Swift, we share these values in our design and manufacturing decisions. We aim to replicate the natural world in colour and material choices within all of our products.

Keeping on top of the trends, through observation and research, we have seen a change in how our leisure vehicles are used. They are now more than just a place to relax and holiday, they also offer a home office space, where leisure and work can now comfortably mix, creating a new design vision and consideration for our campervans of the future.

1. The Maximum User Payload includes:

- the conventional load (this is the allowance for passengers)
- essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
- optional equipment (items available from the manufacturer over and above the standard specification)
- personal effects (those items not covered by the above)

2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank and 11kg allowance for LPG.

3. The Mass in running order is calculated with the fresh water tank and water heater empty. If you travel with water in the fresh water tank or water heater then the payload will reduce accordingly.

4. PLEASE TAKE CARE TO ENSURE THAT YOU HAVE ALLOWED FOR THE MASSES OF ALL ITEMS YOU INTEND TO CARRY IN THE CAMPERVAN.

e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboats, sports equipment etc.

5. WARNING - UNDER NO CIRCUMSTANCES SHOULD THE MAXIMUM TECHNICAL PERMISSIBLE LADEN MASS OF THE CAMPERVAN BE EXCEEDED.

Swift Motorhome Owners Club

We are a group of like minded people who meet up throughout the year at rallies held by the Club.

Some rallies coincide with National Motorhome Shows, some take us to luxury campsites, others abroad - in short we aim to provide something for everyone.

Our members come from all walks of life, and all parts of the country. The 'vans' they own vary from large to small and from very new to very well used. The common bond between us is that we own a Swift Group motorhome or campervan. Membership of the club is open to anyone who is the owner of a Swift Group motorhome or campervan.
